Educational Program - 340

Education for Employment (341.21)

The Norwalk-Ontario-Wilton Board of Education shall provide students with access to an education for employment program. The program may provide for the following:

- A. Practical application of basic skills in the general and vocational curriculum.
- B. School sponsored work experience through the School-to-Work program.
- C. Career exploration, planning and decision-making.
- D. Employability skills and attitudes.
- E. Understanding of business operations and economics, including entrepreneurial education and knowledge needed to begin and operate a business.
- F. In grades 9-12, vocational education programs will have an appropriate curriculum based on the labor market which is data driven.

The District Administrator or his/her designee shall coordinate the education for employment program in accordance with state laws and regulations. Education for employment program records shall be maintained and reports shall be made as required by the Wisconsin Department of Public Instruction.
